I received a letter  
from, Ch. M. Goady the letter  
did not say whether Mr. or Mrs.  
the letter stating you were very  
sick and was taken last Saturday  
night.

I am very sorry to learn of your  
sickness. I sympathize with you,  
and wish you a speedy recovery  
from your illness.

During your sickness you must  
let me know how you are getting  
along. Sweet Heart I hated very  
much to hear you was sick but  
sickness can not be helped after.
